2. What does this policy affect?

2.1 This policy affects the delivery of subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

The regulator's definition of an examination is very narrow. In effect, any type of assessment that is not 'externally set and taken by candidates at the same time under controlled conditions' is classified as non-examination assessment (NEA). 'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'.

(JCQ [Instructions for conducting non-examination assessments](#), Foreword)

This publication is further referred to in this policy as [NEA](#)

3. Purpose of the policy

3.1 The purpose of this policy, as defined by JCQ, is to

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities with respect to non-examination assessments
- manage risks associated with non-examination assessments

The policy will need to cover all types of non-examination assessment. ([NEA 1](#))

4. What are non-examination assessments?

4.1 Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

4.2 There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- a. task setting;
- b. task taking;
- c. task marking. ([NEA 1](#))

Emergency evacuation procedure for examinations

When dealing with emergencies you **must** be aware of any instructions from relevant local or national agencies.

Reference should also be made to the following document -

<https://www.gov.uk/government/publications/bomb-threats-guidance/procedures-for-handling-bomb-threats>

The invigilator **must** take the following action in an emergency such as a fire alarm or a bomb alert.

- Stop the candidates from writing.
- Collect the attendance register (**in order to ensure all candidates are present**).
- Evacuate the examination room in line with the instructions given by the appropriate authority. Direct the candidates to the 'Exams Evacuation Point' on the front car park (there will only be exam candidates at this evacuation point). Once the building is declared 'safe', exam candidates can immediately re-enter (under supervision) in the examination hall to continue.
- Advise candidates to leave all question papers and scripts in the examination room.
- Candidates should leave the room in silence.
- Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination.
- Make a note of the time of the interruption and how long it lasted.
- Allow the candidates the full working time set for the examination.
- If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination.
- Make a full report of the incident and of the action taken and send to the relevant awarding body, along with attendance register, seating plan and invigilator records.
-
- Signs will be displayed in the appropriate exam areas/routes and these procedures will be explained to candidates prior to the start of every examination.
